Nervigesic 150mg, containing Pregabalin, is a trusted medication for managing nerve pain associated with conditions like diabetic neuropathy, fibromyalgia, and spinal cord injuries. It works by calming overactive nerve signals, reducing pain, and improving overall quality of life.

In addition to pain relief, Nervigesic 150mg is also prescribed for managing anxiety and certain types of seizures. Common side effects include dizziness, drowsiness, and mild nausea. Always use Nervigesic 150mg as directed by a healthcare provider to ensure safe and effective results.
