Sarkhej-Dholka Road, Vill.: Bhat, Tal: Daskroi, Ahmedabad-382

Price:

? 10000.00

Spill pallets are essential in industries handling chemicals, oils, and hazardous liquids to prevent spills, protect the environment, and ensure safety. Designed with features like high load-bearing capacity, drainage systems, and durable materials, these pallets cater to various industries, including chemical manufacturing, automotive, pharmaceuticals, and agriculture. Allwin's spill pallets, including single-wall and double-wall options, provide robust, regulation-compliant solutions for spill containment. Easy to clean and maintain, they minimize risks, reduce costs, and enhance workplace safety. Trust Allwin for durable spill pallets for every industry
