If you're running an NGO, trust, or charitable organization in Lucknow, obtaining 80G and 12A registration is essential to enjoy tax exemptions and attract more donations. These registrations not only help your organization save on taxes but also encourage donors to contribute, as they can claim tax deductions on their donations.

What is 80G and 12A Registration?

80G Registration: Allows donors to claim tax deductions on the amount they donate to your NGO, making it easier to attract more contributions.

12A Registration: Provides tax exemption for the NGO's income, ensuring your organization can use more of its funds for charitable activities instead of paying taxes.

Benefits of 80G/12A Registration:

Tax exemption for both the NGO and its donors

Increased credibility and trust among potential donors

Eligibility to apply for government grants and CSR funding

Improved financial sustainability for charitable activities
