Price:

\$ 750.00

Hello! Our little Marie is now 3 months old and ready to go to a new home. She is from our female's first litter and was lovingly raised by our family. His parents are both purebred French Bulldogs with free breathing and a healthy build no over-typical traits. Marie is in excellent health, active, and very people-oriented. Her nostrils are well-opened, and she breathes without problems. She is fully vaccinated, dewormed, and will receive his vaccination record. She grew up with us with children and cats, is familiar with everyday noises, and is therefore well socialized. She loves to play, cuddle, and just be there. When she leaves, Marie will bring her favorite toy, a few utensils, and a cute collar with her to make her start in her new home as pleasant as possible. We hope for her a family that will give her as much love as we do. Only into loving hands and only if you are seriously interested please no "just looking" inquiries. 9283825111
