Address: 708,709 Dubai Mall R.D.C Raj Nagar Ghaziabad, Gh?zi?b?d

Price: Check with seller

Ply News presents Laminated Plywood, a premium engineered wood product designed to offer unmatched durability, strength, and versatility for a wide range of applications. Manufactured using high-quality wood veneers, each layer is bonded with precision using advanced adhesive technology to ensure enhanced stability and resilience. The unique cross-lamination technique used in Ply News Laminated Plywood provides superior resistance to warping, cracking, and moisture, making it ideal for both interior and exterior applications.
