We have two AKC Yorkshire Terrier puppies for sale, 13 weeks old. All puppies are Vet checked, had their dew claws removed, tails docked, shots are UTD, de-wormed, and raised in a loving and caring home with beautiful parents. DNA testing (by the AKC) has been documented in their AKC 2 Generation Certified Pedigrees (which will be provided to you), insuring purity of your Yorkshire Terrier puppy. These tiny cuties have their own unique and individual personalities. They are happy, loving, fun & very playful, and all like to cuddle in your arms. they calm and laid back.
