Blusmart promised a green revolution in India's transport sector — a clean, electric, and efficient alternative to traditional taxis. But is the promise already crumbling? In this bold and explosive video, renowned business coach Rajeev Bhatia uncovers the shocking truths behind India's so-called EV pioneer. From vanishing investor confidence to operational chaos and user backlash, this video takes you behind the PR curtain to expose the silent breakdown of one of India's most hyped startups. If you care about innovation, investment, or India's clean energy future, you can't afford to miss this. Watch now and discover what no one else is telling you. This is more than a review — it's a reality check.
