At HTMC Group, we take pride in being a leading calcined kaolin supplier in India, delivering premium-quality products that meet the diverse needs of industries across the globe. With decades of experience in mineral processing and a strong focus on innovation, we provide consistent, high-purity calcined kaolin tailored for applications in ceramics, paper, rubber, paints, plastics, and more. Our state-of-the-art facilities ensure the finest processing and calcination techniques, resulting in excellent brightness, opacity, and particle size control. We understand that each industry demands specific kaolin properties, and our expert team works closely with clients to offer customized solutions. Sustainability and quality are at the core of our operations. We source our kaolin responsibly and follow stringent quality control procedures, making us a trusted name among domestic and international clients. Whether you're looking for bulk supply or specialized grades, HTMC Group is your go-to calcined kaolin supplier in India. Contact us today to discover how we can add value to your business with our reliable supply, technical support, and unmatched service.
