Address:

837 Chapman Way, Manhattan Beach, CA 90266, USA, Manhattan

Price:

\$ 960.00

Pappy Van Winkle Bourbon Whiskey is a smooth, velvety bourbon whiskey with a long and luxurious finish. This whiskey gets its soft, rich, and complex flavours through its distillation and aging process. The whiskey is aged in new charred American oak barrels for 10 to 23 years. It has a deep caramel, vanilla, a little butterscotch, and a touch of spice flavour. The whiskey is one of the most desired bourbons of all.
