Address: Price: Erbenova 1671, Aleksandrovo ? 1500.00

Ziepharma Co. Ltd is a pioneering research chemical manufacturing company headquartered in Dongguan, China. With a focus on innovation and excellence, Ziepharma is dedicated to the development, production, and distribution of high-quality research chemicals and pharmaceutical raw material for a wide range of industries and applications.

At the core of Ziepharma's operations is a state-of-the-art manufacturing facility, equipped with advanced technology and operated by a team of skilled professionals. This allows us to uphold the highest standards of quality and safety while meeting the evolving needs of our global customer base.

Our diverse product portfolio encompasses a variety of research chemicals, including but not limited to reagents, catalysts, solvents, and custom synthesis solutions. Ziepharma's commitment to research and development enables us to constantly expand our product offerings and stay at the forefront of technological advancements in the chemical industry.
