Shoviv Lotus Notes to Office 365 Migration Software is a dependable tool for migrating HCL Lotus Notes (NSF files) to Office 365 mailboxes. It allows users to move emails, contacts, calendars, tasks, and other mailbox items while keeping data intact. The software has an easy-to-use interface that works for both technical and non-technical users.

Key Features:

Bulk Migration: Migrate multiple NSF files to Office 365 at the same time. Selective Migration: Filter items by date, folder, and type. Incremental Migration: Prevents duplicates by moving only new data. Mapping Facility: Easily map source mailboxes to target mailboxes. Preview Option: View mailbox content before migration. No Size Limitation: Move large NSF files without limits. Supports All Notes Versions: Works with all HCL Notes and Office 365 versions.
