At Cornell Electrical, we are committed to delivering reliable and high-quality solar and electrical solutions tailored to the needs of clients across the Adelaide Hills. Serving both domestic and commercial properties, we have built a strong reputation as a trusted electrical service provider throughout South Australia. Our experienced team understands that every property has unique energy and electrical requirements, which is why we offer customised solutions designed for safety, efficiency, and long-term performance.

From accurate re-wiring and new electrical installations to ongoing maintenance and prompt repair services, Cornell Electrical handles all aspects of electrical work with precision and care. We also specialise in solar solutions, helping homeowners and businesses in the Adelaide Hills transition to clean, cost-effective energy with confidence. Every project we undertake meets strict Australian safety standards, ensuring peace of mind for our clients.

As a fully licensed and insured electrical contractor, we guarantee professional workmanship, transparent communication, and dependable results on every job. Whether you're upgrading your electrical system, maintaining existing equipment, or planning a new solar installation, Cornell Electrical is the team you can trust. Experience quality service and expert advice—contact Cornell Electrical today for your solar and electrical needs in the Adelaide Hills.
