Oran, Ahmed Ben Aïda

Price:

\$ 1999.00

Start your on-demand ride-hailing business with the SpotnRides Uber Clone App Solution, built for startups and taxi fleet owners. The platform enables instant ride booking, real-time GPS tracking, smart driver matching, dynamic fare calculation, and secure digital payments. A powerful admin panel allows easy management of drivers, users, trips, commissions, and reports. Fully customizable, scalable, and white-label ready, SpotnRides helps you reduce development costs, speed up market entry, and grow a reliable, profitable taxi booking platform globally.
