"Theme: Exploring the Advanced Practices in Nursing & Healthcare"

The 4th World Congress on Nursing & Healthcare will be held on September 23–24, 2024. Aver Nursing offers an opportunity to interact with researchers in the field of Nursing & Healthcare, making the congress a perfect platform to share experiences, foster collaborations across industry & academia, and share emerging scientific updates across the globe. The initiation of cross-border cooperation between scientists and institutions will also be facilitated.
