Address: **35-37 Maxwell Rd, Adelaide**

Price: **Free**

A Dust Extraction Booth from MECHVAC Engineering is designed to create a cleaner, safer, and more efficient workspace by effectively capturing and removing airborne dust particles. Ideal for industrial environments, it enhances air quality while protecting workers and equipment from harmful contaminants. Built with advanced filtration technology and durable materials, MECHVAC Engineering ensures reliable performance and low maintenance. This Dust Extraction Booth is suitable for various applications, including welding, grinding, and sanding, making it a versatile solution for modern workshops seeking improved productivity and compliance with safety standards.
