India's first-ever clean-label prebiotic soda is here, Jivva - redefining refreshment.

It all started with a late-night spark of inspiration to design a soda with bold flavours and functional benefits. The ultimate goal of Jivva is to create a beverage experience that goes beyond typical fizz.

Our mission is to create a prebiotic soda with clean ingredients, Bold and delightful flavours, transparent labels, and an experience beyond expectations. We are here to prove that a soda can be more than a bubble. It can be innovative and impactful.
