MAOA Orthopedic Conference 2024 is coming live at the Hyatt Regency Coconut Point Resort, Bonita Springs, Florida, from April 10-14, 2024. This conference will invite orthopedic experts from different parts of the world. Industry leaders will address attendees via seminars, lectures, and instructional courses. Some of the topics that will be discussed at the event may include arthritis, fractures of the ankle, hip, distal femur, tibia, and more. Besides this, there will also be open case discussions on injuries and treatment related to the hip, knee, shoulder, and elbow. Above all, attendees at the event will also explore advanced orthopedic products and supplies exhibited by companies from across the world.
