2-in-1 Baby Highchair Infant High Feeding Seat Children's Dining Chair, available at Yaqeen trading.com, is perfect for babies (6 months to 6 years of age) to eat and play. The 2-in-1 Baby Highchair Infant High Feeding Seat food plate, made of PP environmental protection material, ensures a safe and non-toxic dining experience. The chair features a detachable, adjustable double-plate design with a color plate for eating and a white plate for playing. Safety is prioritized with five safety belts, a stable trapezoidal structure, and a thickened steel pipe, providing a secure environment for your baby. The high-quality, environmentally-friendly PU leather detachable seat cover is oil-proof and waterproof, making it easy to clean.
