Address:

2, D.D.A Commercial Complex, C-2C Block, Pocket – 2, Janak P

Price:

Check with seller

In case of Foreign Direct Investment in India, there will be a number of contracts and covenants which will be entered into between the parties who entered into the contract. Some of the common contracts which are dealt with between the parties are service agreements, Non-Disclosure Agreements (NDA), third party agreement, shareholder's agreement, franchise agreement etc. The execution of some of those agreements are discussed below:
