Are you seeking premium-quality guava puree/pulp in bulk? Look no further than Shimla Hills Offerings Pvt. Ltd. As the top guava pulp manufacturer in India, we offer superior-quality guava puree, which is processed with advanced aseptic technology to ensure flavour and freshness. Our processed guava puree is made from 100-percent natural guavas and free from preservatives, additives, and artificial flavours or colours. This makes it an ideal choice for food processors and manufacturers.

Our premium guava puree/pulp is ideal for various applications, such as juices, sauces, desserts, and more. Sourced from ripe, mature guavas, our product retains the genuine taste and nutritional value of the real fruit.

We cater to bulk orders with competitive pricing and flexible quantities. We are your trusted partner for reliable supply and premium quality.
