We have available 6 real, clean blue boys and girls. They are ready now to change home. They will come with a 5 generation pedigree from mum and dad. Vaccinated, vet checked, wormed correctly from birth and flea treated. Our kittens are handled from birth and have been raised in our home with lots of loving attention and are well socialised. They live with my daughter and son. Eating both wet and dry food, fully litter and scratch post trained. They will leave with kitten pack, you can buy only if you love cats.
