Whether you are a food manufacturer, distributor, or restaurant chain, ShimlaRed is your trusted partner if you need bulk tomato paste supplies. Being a reliable bulk tomato paste supplier in India, we ensure every batch meets the highest food quality and safety standards. We source ripe, mature tomatoes from local Himalayan regions where tomatoes grow using traditional cultivation techniques.

Another reason to choose our tomato paste is that it contains no preservatives or artificial additives, enduring a healthy and natural product. Each batch undergoes state-of-the-art retort thermal processing for the extended shelf life of tomato paste while maintaining its authentic, rich taste. Hence, our tomato paste is perfect for large-scale production in the food industry, including soups, sauces, recipes, and more.

Get in touch with us today for your bulk order at competitive pricing.
