Pattern making is an important skill if you are interested in taking this as a profession. IDI offers pattern making and stitching course in Hyderabad, Himayathnagar, which can enable you to learn complete tailoring, pattern making, and related skills. The institute offers three different courses viz., Advanced Course in Pattern Making and Stitching, Certified Course in Pattern Making and Stitching, and Short-term Course in Pattern Making and Stitching. You can select any one of these courses based on duration and your convenience. IDI is popularly known in Hyderabad for its fashion designing course and this pattern making course is an innovation of IDI for those who don't want to learn complete fashion designing.
