Give your home a sophisticated, natural finish with GCS Premium Interior Paint from Graphenstone Eco Paints. This high-quality lime-silicate blend offers a flat, matt look with a 1-2% sheen, creating a rich aesthetic while preserving indoor air quality. Ideal for heritage properties and modern spaces alike, its breathable formula reduces condensation and allows walls to "breathe," while being durable with class 1 wet scrub resistance. Crafted with non-toxic ingredients, it's nearly VOC-free (&It;0.1%) and colourfast, using strong pigments for long-lasting beauty. Reinforced with graphene for durability, GCS Premium covers up to 16m²/L, and holds Cradle to Cradle Silver and EPD certifications for eco-conscious choice.
