Address:

Al Quoz , Industrial Area, Dubai, Ar R?shid?yah

Price:

?.? 599.00

The most famous outdoor or patio heater in Dubai. With very reasonable cost, good heat radius and several options.

Very nice polished stainless finish that goes well with most patios setups. But care should be taken, since We noticed even stainless steel get affected by extreme humid conditions, like near beaches. Sometimes powder coating finish could provide more durability than exposed stainless steel.

More details:

Reflector diameter: 815mm

Height : 2238mm

Base diameter: 450mm

Fuel : LP Gas

Power: 5-13kw

Gas consumption: 0.45-0.87kg/h

Heat radiation: 20 sqm
